## **Building Blocks Christian Childcare & Preschool**

I furthermore understand that things can change often so updates are being posted on the Building Blocks Facebook page ( <a href="https://www.facebook.com/bbcchildcare">https://www.facebook.com/bbcchildcare</a> ) and it is my responsibility to check the page for updates. All postings are made public so they can be seen without a client needing to have a Facebook page, but I understand that if I do not want updates that way, it is my responsibility to check in with Mrs. Kim often to ask if there have been any updates recently. While I understand that Building Blocks will do it's best to communicate with me about changes, I also understand that current rules make it difficult to communicate in person so communication via e-mail at <a href="bbcchildcare@aol.com">bbcchildcare@aol.com</a> is preferred or if you need to speak with someone in person, please call Mrs. Kim's cell phone at 541-915-8126 (if she does not answer, please leave her a message so she can call you back) and she will do her best to help you out. I understand that currently, in person communication is the least preferred method of communication, but if given enough notice, Building Blocks will do it's best to accommodate me with this method with the understanding that I will follow the protocol given at the time that the meeting is set up.  I have seen the current pricing structure posted on Facebook (please ask us if you have any questions about our pricing) and I have chosen to be charged as marked below. I understand that if I mark "Monthly" (so I can maximize my savings) I will be allowed to switch back to the Hourly/Daily/Weekly billing format, but I also understand that I will not be able to request to return to the monthly billing option for at least 6 months. I also understand that if I do not get my payment in by the 1st of each month, I will automatically be switched back to the Hourly/Daily/Weekly billing option unless I have communicated and an agreement has been made as to when the payment will be received and how it will be prevented f	I parent of

Monthly (must be prepaid by the 1 <sup>st</sup> of each month – can be split into 2 pmts. the 1 <sup>st</sup> month)  Hourly/Daily/Weekly (will be billed every other week – must be paid at least once per month)	

I understand the drop off procedures and if I have had any concerns, I have brought them up with Mrs. Kim and have worked through those with her the best we can and agree to follow the procedures. I understand that this has nothing to do with Building Blocks and everything to do with the Dept of Ed and their requirements being placed on schools and childcare facilities.

I have seen the Exclusion Summary that is posted on our Facebook page, which explains when I will need to keep my child or myself home. I understand that the staff will be required to ask the following questions (subject to change).

- 1. Has the adult or child been exposed to a person with a positive case of COVID-19 in the past 14 days?
- 2. Has the adult or child been exposed to a person with a presumptive case of COVID-19 in the past 14 days?
- 3. Is the adult or child experiencing unusual cough, shortness of breath, or fever? "Unusual cough" means something not normal for this person (e.g., allergies, asthma).
- 4. Does the child or adult have symptoms of diarrhea, vomiting, headache, sore throat, or rash?

I understand that to speed things up, I may opt to tell the staff member that I can answer NO to all of the questions posted on the windows and I agree that I will answer each question truthful whether answering the quick method or one question at a time. I agree that I will keep the safety of all of the children my top priority and will not give my child fever reducing meds and then bring my child as I understand that would be putting other children at risk.

I understand that I (or those that will be dropping off and picking up my child) need to give myself extra time for the drop-off/pick-up process as I understand that only one person may be at the doorway (or the inside entry area if permission was granted) at any given time and I will need to wait in line or in my car patiently for my turn so that I can maintain the required 6 feet between each person.

I furthermore understand that Building Blocks is doing all it can to follow all of the required guidelines as well as keep their facility as clean and sterilized as possible, so I hold them harmless if I, my child or any of my drop off/pick up people become ill with Covid related symptoms and I also accept responsibility for any and all cost related to required or recommended medical costs so that my child may return back into care after becoming ill.

Lastly and above all, I agree to be respectful at all times to all staff and clients as I understand that these are not their requirements, but the requirements that have been given to Building Blocks in order to be able to stay open under the emergency childcare license. I will act and treat each person I come in contact with as I would want to be treated and will be graceful and respectful at all times. I understand that if I fail to follow this agreement or have been less than truthful when answering the health screening questions, I and my child could be expelled from Building Blocks as they are not willing to jeopardize their business or the other client's ability to have care over my reckless acts.
