Child's Doctor	Address	City	Zip	Phone
Child's Dentist	Address	City	Zip	Phone
Child's School (if attending)	Phone	What Hospital Do You Prefer?		Phone
<b>Permission Is Given For The Following:</b>				
<p>By signing this form, you are stating that you have seen our state license on the wall and known that we are a certified child care center. You are also stating that you have read, understand and agree with our parent handbook and you know that you can ask for an expanded version of our emergency plan that details what we will do if we were to ever face several different emergency situations. You are also acknowledging that you are giving permission for Building Blocks Christian Childcare &amp; Preschool to be able to take your child on walking field trips and to act on your behalf in any emergency situation that might arise. We always do our best to contact parents if your child gets hurt or if they are not feeling well, but you understand that we may elect to call an ambulance or take your child to any available physician or hospital and to obtain medical treatment for your child at your expense if we deem that your child needs immediate care and waiting could possibly jeopardize their health or safety. You also understand that if you do not list a preferred hospital on this form to have your child transported to in the event of such an emergency, we will select Peace Health Riverbend Hospital as the default hospital of choice.</p> <p>Furthermore by signing this form, you understand that your child may be photographed from time to time. Uses of those photographs may include, but are not limited to, our monthly newsletter, social media accounts and our website. You also give us permission to give your child prescription and non-prescription medication at your request. A separate form will also need to be filled out and signed by you before we are able to give your child any prescription medications or sunscreen. You are also fully aware that absolutely no medications may be left in your child's bag or cubby and that all medications must be locked in our childproof medication box. If you have school aged children, you also acknowledge that we are not responsible for your children once they leave our presence (i.e. bus transportation) and we do not regain responsibility for them until they are returned back to us. You also understand that if your child does not show up after school (i.e. off the bus), we will do everything we can to help find your child and try to get them rerouted back to our center (which is what normally happens), but at the end of the process you are ultimately responsible for your child if they do not show up as we have no control over the school and bus protocols.</p>
